10 Day Spoken Samskrit Class

The Samskrita SambhashaNa shibira camp is structured into **ten sessions** of **1.5 hours** each, spread over **10 days**. No background knowledge necessary to attend it. At the end of this, each participant will be able to hold simple conversational sentences in Samskrit and hopefully gain confidence and motivation to pursue it further.

Why Learn Samskrit?

- Samskrit has a very vast repository of secular, spiritual and religious literature.
- It being an ancient and mother language, any Samskrit literate would find it very easy to pick up other languages if needed later. E.g. Tamizh is 40% samskRta, 50% of kannaDa, 70% of malayALam, etc.
- Kids should get exposed to this as well. The great structure in the language and its precision of word-meanings when learnt will open their minds to greater things in their lives. Increases their IQ.
- To preserve Samskriti, learn Samskritam.

Course Description

At the end of the course you will be able to speak in simple, chaste Samskrit for day-to-day conversation. This short course can also be used as a stepping stone for further exploration into the vast world of Samskritam.

- Evolved and proven course

Course Locations

10-day spoken samskrit classes are routinely organized all over India based on demand by SB-trained shikshakas who themselves speak fluent Samskrit. These shikshakas are Samskrit lovers like you who attended a shibiram and are volunteering to teach others. We need at least 10 committed students and a room to conduct a 10-day shibiram.

To know where and when the next spoken samskrit course will be offered near your locality, you have two options:

1. Visit the "[Samskrit in your Locality](#)" page, Click on upcoming activities tab, and choose your geographic region from the dropdown menu on the sidebar.
2. Fill the online "[Register to Learn](#)" form. You will be connected with an SB Karyakarta near you. You will also be notified when a subsequent class is being planned in your area.
